Access to the care you need.

## How the Frozen Embryo Thaw (FET) Possibility Plan Works

The FET Possibility Plan at The Center is open to all patients who do not have insurance coverage and qualify financially. The FET Possibility Plan includes one price for all cycle monitoring for blood work and ultrasounds performed at The Center, Embryo Transfer, thawing of the embryo(s) & assisted hatching if applicable. This case rate includes the procedures beginning with monitoring and ending with embryo transfer.

Costs associated with fertility work-up/checklist, diagnostic blood work and ultrasound, sonohysterogram or HSG, surgery, outside monitoring, embryo glue or medical treatment associated with a pregnancy or an unsuccessful cycle (treatment for miscarriage, ectopic or biochemical pregnancy) are not included. Costs associated with oocyte, or sperm cryo-preservation TESA/MESA, cycle medications, PGT-A/PGT-M/PGT-SR (formerly known as PGD/PGS) and storage expenses are also not included.

All participants in any Possibility Plan must sign a Possibility Plan Case Rate Waiver.
